Attention Boxing Alberta Members:

Beginning with Boxing Alberta's new 2023-24 season in September, each coach cornering (coach in the ring) will be required to be Instruction Beginners (formerly level 1) certified. This rule will be strictly enforced at all Boxing Alberta sanctioned events. The Locker platform on the Coaching Association of Canada website will be the ONLY means to determine certification. Those coaches with Instruction Beginners certification (or higher) WITHOUT the completion of the Make Ethical Decisions (MED) evaluation and/or have lapsed professional development points requirements are NOT considered certified, and are not eligible to corner. The only exception will be brand new registered Boxing Alberta coaches who have completed the Beginners Instruction Coaching Module that will be given a one-year grace period to achieve their Instruction Beginners certification. Please review your Locker profile if you are unsure of your certification status. If you have any questions or need any help regarding any of this, please contact the office.
