The Shadowbox has proven to provide a quality show time and again. We are a young club with only 4 club cards in our experience but all 4 of those shows have displayed great exuberance, passion, and an obvious love for the sport of boxing with strong encouragement and support to the athletes in particular.

We have a goal to set a show that makes the amatuer boxer feel like he/she is a professional with an extensive fan base on a big stage.

We are centrally located to allow short travel distance to most Alberta clubs both north and south of us. We are in a city small enough to be safe and easy to get around, and big enough to offer all accommodating services.

We have access to two doctors for the event and a large venue to meet all the needs of the teams, officials and coaches.
